12<sup>th</sup> April 2024.

Dear Parent / Guardian,

On behalf of the Management and Staff, we welcome you and your son to our school community here in Garbally College. We would like to thank you for choosing Garbally and entrusting us with your son's education, a responsibility we take very seriously.

The transition from primary to post-primary education can be challenging for students and their parents/guardians. While both our Taster Tuesday and Open Day were well attended and positively received, we would like to invite you to an information evening on Monday 22<sup>nd</sup> of April at 6.30pm in the Concert Hall. Hopefully, the meeting will answer any questions and eliminate any worries you may have. You will get a chance to meet Mr. Ronan Flanagan and Mr. Liam Flynn, Year Heads to our incoming First Years, Mr. Cathal Clarke, our AEN Co-Ordinator.

We look forward to meeting you all again.

Yours faithfully,

Mr. Paul Walsh,

Principal.

Ms. Collette Quinn,

Deputy Principal.
