

A thuistí,

I hope you and your family are all keeping well during this worrying and uncertain time. In this document, I have included the work I sent home with the children on Thursday (12/03/20). I would like the children to continue with this work until the Easter break. After Easter I will have another set of work put together for the children to complete. I know that there is a huge amount of pressure on parents at this time so please don't feel the need to complete all of this work. I understand that the children, no more than us, are very anxious and worried at this time too. I have put this work together in order to help them to continue with the routine of school work and most of the work can be completed by the children independently.

I have also set up a virtual classroom on 'ClassDojo' which is a website/app that allows me to engage with the children, provide help and support to them as they do their work and it allows me to correct the work they submit. Many of the children have joined and it is proving to be very helpful. If this is something you are interested in please e-mail me at muinteoirrachelnis@gmail.com so that I can provide you with more information. **After reading this information, you will need to e-mail me again stating that you give permission for your child to join 'ClassDojo' before I can send you the log in details for your child.** I will continue to post little tasks for the class to engage in on 'ClassDojo' each day. Again, none of these are compulsory to complete but they may be a nice distraction for the children during this surreal time. Furthermore, I understand that not everyone will be able to engage in this form of online teaching due to poor internet connection or if there is only one computer/ tablet/ phone in the household but I just wanted to give you the option.

I will also include links below to several websites that contain games and different learning topics which are linked to the curriculum. I will add to this over time. Many of them require Adobe Flash Player to have permission to run on your computer. Please don't hesitate to contact me on the e-mail above if you need more information on this.

Thank you so much for all that you have done so far to help your child to continue with their learning. Please say hello to them for me. Wishing you all the best and I hope to see you all soon.

Le gach dea-ghuí,
Múinteoir Rachel
